Skills

Programming Languages: C/C++, JavaScript

Frontend Development: HTML, CSS, React.js, Tailwind CSS

Backend Development & Database Management: Node.js, Express.js, MongoDB, MySQL

Development Tools: Git, GitHub, VS Code, Postman, Firebase

Soft Skills: Optimistic, Leadership, Team Collaboration

Project Work

YouSpot - Decentralized Media Streaming Platform (Dec 2024)

- Designed and developed a Web3-powered platform combining features of YouTube and Spotify for streaming, sharing, and owning video and audio content.
- Designed **50+ responsive and visually engaging UI components** using ReactJS and Tailwind CSS, ensuring a seamless user experience.
- Collaborated with a team of **4 developers** to integrate **smart contracts** using Solidity and Ethereum for secure and transparent operations.
- Implemented **IPFS** for decentralized content storage, reducing server dependency by **60%**.

GuestNest – A Role-Based Smart Guest Management System (April 2025)

- Developed a **full-stack** web application using **HTML, CSS, JavaScript, and Firebase Authentication** to manage guest check-ins and check-outs with **role-based login** for Admin and Guest users.
- Implemented dynamic features including **real-time data rendering, form validation, session tracking, and secure local storage**, enabling management of over **1,000 guest records**.
- Designed a responsive and user-friendly UI with **modular components, animated transitions, and device compatibility**, enhancing user experience and reducing UI issues by 70%.
- Integrated **local storage-based data persistence** and **Firebase auth** to streamline access control and improve data integrity with 0% manual errors.

Education

Acropolis Institute of Technology and Research, Indore (Nov 2022 - June 2026)

B.Tech in Information Technology

- Relevant Coursework:** Object Oriented Programming, Database Management Systems, Data Structures and Algorithms, Operating Systems, Computer Networks

Certificates

- NPTEL Certification** in Database Management Systems (2024)
- Blockchain Basics Certification** (2024)

Achievements

- Winner of **BLOCKATHON (2024)**, outshining **50+ teams** in blockchain project development.
- Vice President** of the **Blockchain Technology Club (2024)**, leading initiatives and organizing **5+ events**.
- Achieved **1st place** in the **State-Level Table Tennis Tournament (2023)**, surpassing **30+ competitors** with exceptional skills, strategic gameplay, and dedication.

Extracurricular Activities

- Participated in the **DCC Hackathon (2024)** organized by AITR, presenting innovative solutions and ranking among the **top 3 finalists**.
- Attended an **Industrial Visit** to **Cyber Infrastructure Pvt. Ltd. (2024) & Hotwax Systems, Indore (2025)**, gaining insights into IT workflows, Software Development Lifecycle (SDLC), agile practices, and emerging technologies through professional interaction and live project observations.
- Anchored events** like **Ardor REBOOT (2023)** and **Ardor UTKRISHT (2024)**, leading an audience of **500+ attendees**, showcasing leadership and communication skills.
